OGDEN WINS THE SECOND

Poor Support Given to Bohan Together With Many Errors Results in Victory—Knight Pitches Today

Missoula, June 18.—Poor support which resulted in many errors, cost Bohan his game today and Ogden won 5 to 2. It was the second consecutive victory for the Knights in Montana territory.

Risberg was the only Ogden player tallied with an error, while Missoula's list showed eight. In hitting, Missoula did some splendid work, with eleven safe ones while Ogden only had five, but the poor fielding for the locals was what cost the game, while twelve Missoula men and four from Ogden were left on bases.

Missoula scored a run in the first inning on Perrine's two-base hit and Carman's double to left center. They scored their last run on the third inning when Bassey hit to center for one base, Tobin walked, Bassey and Tobin pulled a double steal and Bassey scored on Changnon's single.

Ogden scored two runs in the fourth. Van walked, Jones hit for a base and Van scored on Auer's wild throw to catch him stealing third. Jones scored on Perrine's boot of Pourroy's grounder.

Ogden scored in the fifth on Wessler's two-base hit and Perkins' single to right and scored two runs in the sixth. Jones walked and scored on Moorehead's two-bagger to center. Moorehead scored on Perrine's boot of Risberg's grounder.

Knight will pitch for Ogden and Trekel for Missoula Thursday.

SALT LAKE SHUTS OUT GREAT FALLS

Great Falls, Mont., June 18.—With Dessen in the box for the Saints today the Electrics were unable to connect and they were defeated in a shut-out game in which they obtained only five hits. Both teams put up snappy ball, but Dessen had the locals' goat and during the full nine innings only seven of them were able to get on first base and of this number but one reached third base, where he died and of the balance only three progressed to the second stand.

McCloskey's bunch was out to win and succeeding in finding Delbi for ten safeties. The big pitcher loafed on the job and in both the third and sixth innings in which the Saints scored twice he walked the man to bring in the first score of each brace.

In the third Pendleton walked, reached second on McClain's sacrifice third on Spencer's single and scored on Murphy's single. Spencer scoring on Huelman's single to left field. In the sixth with one down Dessen was ticketed, got second on Schimpff's sacrifice, scored on Pendleton's two-bagger to center, Pendleton in turn crossing the pan on McClain's single. This comprised the total run getting of the session. With the exception of a wide throw to first by Potts, which cost nothing, the game was errorless.

St. Louis, June 18.—Ragan was invincible, while Griner was in men were on base. St. Louis losing the third game of the Brooklyn series by 8 to 1. Burk, who relieved Griner in the seventh was found for safe hits, but the visitors could not score off him. The locals' one tally came in the eighth inning on a single, two errors and a sacrifice. Bunched extra base hits and errors gave the visitors their runs.

The visitors scored first, picking up a run in the third on Peckinpough's fumble on Wellman, a wild pitch and Shotton's single. The Browns held this lead until the sev-

enth, when New York scored two runs on Harzella's pass, Peckinpough's double, Borton's sacrifice fly and McKechnie's single. Three more runs were added in the eighth inning on bunched hits and errors. Ford pitched well for New York, winning his fourth straight game. Cubs Shut Out Quakers.

Chicago, Ill., June 18.—Chicago cut down the lead of the Philadelphia team in the pennant race today one full game by shutting out the visitors for the second time during the series here 4 to 0, while New York defeated the Cincinnati club. Harry Lewis, who was on the mound for Chicago pitched a wonderful game and allowed the visitors only three scattered hits while only two Philadelphia players reached second base. The support was excellent, Leach, Schulte, Sauer and Bridwell saving the local twirler on several occasions. Seaton, who had won thirteen games and lost two, for Philadelphia before coming here could not stop the locals.

Reds Lose Another.

Cincinnati, June 18.—New York succeeded in making it three victories over Cincinnati today by winning seven to two. Johnson and Brown, who were Cincinnati's pitcher, but received such a lively reception that he was taken out before the initial inning had been completed. Demaree, the New York twirler, had Tinker's men at his mercy, except in the eighth, when he allowed two hits and a base on balls and two runs came across the plate. Shafer, Burns, Doyle and Myers all hit well for the visitors, while Becher was the only consistent batter for Cincinnati. New York's four runs in the first were scored when Dodge booted Burns' grounder, Shafer singled, Fletcher was safe on Groh's error and then Doyle worked in with a single, only to be followed by Mierke with a triple. That was enough for Johnson and Brown, who all hit well for the visitors, while Becher was the only consistent batter for Cincinnati. ENGLISH HORSE SHOW OPENS

London, June 19.—The outstanding feature of this year's international horse show at Olympia, which opened today with more than 4,000 entries and 111 classes, is the riding and jumping competition for the King Edward VII gold cup for teams of three officers representing the armies of the various nations. The American army is not represented on this occasion, but the keenest rivalry exists among the seven other entries: France, Great Britain, Canadian, Belgium, Italy, Russia and Sweden.

France has won the cup twice and the French cavalry officers will make a desperate effort to win it for the third time and take it with them across the channel as their permanent property.

In the other competitions American horses are not quite so numerous as in former years.

A new American competitor is Edward B. McLean, of Washington, with a stable of eight horses which have been insured for \$100,000.

Some valuable prizes have been offered by Americans, including the Newport cup given by Alfred G. Vanderbilt for the best single harness horse; the two cups given by Colonel Lawrence Jones of Louisville, Ky., for the best harness horses exceeding fifteen hands and for two hacks under fifteen hands; the National Horse Show association's cup for tandem and the Harkaway Hunt Club's cup for qualified hunters.

Philadelphia, June 18.—By batting Bender and Wyckoff from the slab in the early innings of today's game Chicago gained such a lead that Philadelphia could not overcome it. The final score was 9 to 5. Bender lasted three innings before the hard hitting Sox and Wyckoff who succeeded in him in the fourth was batted numerically, the visitors scoring four runs on five hits after two men were out. Taft took up Wyckoff's burden in the fifth and after that inning held the visitors to one hit and no runs.

Walsh was batted freely by the Philadelphia, but he managed to keep the hits scattered in each inning, except the sixth and ninth. Manager Mack used 16 men in an effort to win. J. Collins made two singles, a double and triple out of five trips to the plate which was the feature.

Braves Beat Pirates.

Pittsburg, June 18.—Pittsburg lost its sixth straight game by a one run margin today and the visitors made it their straight victory here by a score of 2 to 1. After two men were out in the last inning Boston got its winning run. Maraville knocked a triple and scored on Myers' single.

Tyler was effective at all times and Cooper pitched fine ball, but gave Boston one of its runs when in the third inning he threw Tyler's roller wildly. Pittsburg rallied in the ninth and managed to get runners on third and first with two out. McCarthy, batting in the pinch, fouled out.

MOVIE HAS GOOD EFFECT

French Chamber of Deputies Is a Drowsy and Slow Place Until Members Become Aware of the Presence of a Camera Man

Paris, June 19.—Reasoning that moving pictures of the chamber of deputies during important debates would stimulate pride and patriotism throughout France, the clerk, on his own responsibility and privately, gave permission to a cinematograph company to work its camera in the legislative hall.

While the three year military service bill was under consideration a machine was installed and ran several hours before the deputies knew anything about it. Only 15 members were in their seats, and some of them were yawning or snoring away their dull hours, only rousing when a vote was called for and then voting the proxies of the 400 absentees.

Finally the news got around and there was a remarkable change. The bar was deserted and there was no dozing nor yawning nor stretching, but much pretty strutting fine gesticulating and a universal effort to look solemn and wise.

POLICEMEN SAVE LIVES

Two Members of the Coney Island Horse Marines Rescue Seven Persons in a Disabled Motorboat—Swim Horses 300 Feet to Craft

New York, June 19.—Coney Island policemen mounted as horse marines have become a valuable adjunct to the life-saving forces at that popular resort. Two of the mounted patrolmen, Edwin Cody and James J. McDonald, who were on regular duty regulating traffic ashore, distinguished themselves yesterday when they swam their horses about 300 feet out to sea and rescued seven persons in a disabled motorboat.

A 35-foot craft was nearly swamped by a choppy sea and two women in the party, with children in their arms, were screaming for help while the throng of promenaders ashore stood helpless. But the two bluecoats, mounted on first class steeds that had been taught to swim, did not hesitate for a moment. They simply wheeled their charges, spurred them down over the embankment onto the beach, and plunged into the surf. The tide was such that the horses had not gone more than 75 feet before they were "off their legs" and had to swim. Horses and riders bobbed up and down half submerged while a great crowd on the beach cheered their efforts. Cody and McDonald not only reached the craft in time to rescue the women and children, but went back a second time and towed in the boat with its men occupants.
